E-mail: paynetechinc@windstream.net Website: www.paynetechinc.com

Proudly Servicing our Clients since 2001. Professionalism, Ethics and Service is PTI

PRINCIPALS AND PRODUCTS:

CCS INTERNATIONAL CIRCUITS: Location -Dunedin, Florida

Premier Supplier of Printed Circuits Boards for Commercial, Industrial and RF industry

- Single Sided to highly complex PCB up to 24 layers
- Blind, Buried, Micro Via's. 4/4 Mil Spacing, BGA's and Controlled Impedance
- FR4, IS410, Aluminum, ENIG, Lead Free HASL, OSP, Immersion Silver, Polyimide, etc.
- Other Services: Layout, RoHS, REACH, Cost Reduction assistance.

www.ccsinternationalcircuits.com

EMC TECHNOLOGY/FLORIDA RFLABS: Location- Stuart, Florida

World Leader in High Quality Microwave Thin Film Products and Cable Assemblies.

- Terminations, Attenuators, Resistors and Thermo-Pad *Non-Magnetic
- Hybrid & Directional Couplers- Strip Line and LTCC style. *Non-Magnetic
- Complementary Signal Processing- Crossover, DC Blocks and Wire Bonding Islands
- High Reliability Products for Military, Space, Medical and Aerospace
- Cable Assemblies for use up to 60GHz. Delay Lines, Baluns and Transformers

www.emct.com & www.rflabs.com

MADISON MANUFACTURING: Location- Hamilton, New York

Manufacturer of High Quality Wire Wound Magnetics, Cable Assemblies, PCB Assembly

- Pot, Rods, Cross Cores, U-E-I, Strip Bobbins, Torroids, Touch Tone Cores
- Permanent Magnet, RM, SMD Cores
- Cables and PCB Assembly

www.madisonmanufacturing.com

NESSCAP CO. LTD: Location- Yongin-Si Gyeonggi-Do, Korea

Manufacturer of High Capacity Ultra Capacitors

- Electrolytic Double Layer Capacitors- 2.7VDC up to 5000F, Low Equivalent Resistance
- Metal Oxide Double Layer Capacitor- 2.3VDC up to 300F, Long Term Storage
- Custom Modules-48VDC to 125VDC up to 166F, Custom's welcome

www.nesscap.com

RONKEN INDUSTRIES, INC: Location- Spring Valley, Illinois

Manufacturer of High Quality AC/DC Film Oil and Dry Film Capacitors

- Film Paper Style, 660VAC up to 4000VAC. Prismatic and Oval Can Options
- Film-Paper SCR Commutation Style, 400Vp up to 2000Vp. Prismatic and Oval Can Options
- Metalized Polypropylene Style, 220VAC up to 660VAC. Oval and Round Can Options
- Metalized Polypropylene Power Factor Correction, 240VAC up to 600VAC 60Hz 3 Phase

VOLTRONICS CORPORATION: Location- Denville, New Jersey

Manufacturer of High "Q" RF Multi-Turn, ½ Turn Variable and Fixed Capacitors

- Variable Multi-Turn Capacitors- PTFE, Air, Sapphire, Glass and Quartz up to 15KV
- ½ Turn Variable Turn Capacitors- Ceramic up 350VDC
- Precision Microwave Tuners- Metallic, Sapphire and Alumina up to 40GHz
- Non-Magnetic Variable and Fixed Capacitors, Hardware, Inductors, Active and Passive.

www.voltronicscorp.com

ENCLOSURE SOLUTIONS: Location- University Heights, OH

Premier Supplier of Next Generation Non-Metallic Electrical Enclosures, Cabinets and Customs

- Poly-Guard Series of Injection Molded Polycarbonate Enclosures and Junction boxes
- Universal series of Medium to Large PVC NEMA 4X Enclosures and Cabinets
- TrueCustom Non-Metallic Enclosures, Cabinets, Equipt. Protection and Custom Designs
- AMR-Smart Cabinet Series of PVC Meter Cabinets for Smart Grid Applications
